

Tuesday - 14 November 1950

25X<sub>1</sub>A Mr. Duncan, FBI, called in connection with my name as a reference for  
Mrs. [redacted]

2. Mr. Hill, General Counsel of the Air Force, called in regard to CIA's interest in the matter of General Bissell, and I informed him that after consultation with Mr. Jackson and General Smith it was considered ~~ix~~ to be an Air Force matter and that CIA would not participate in any meetings in connection with the Congressional investigation of General Bissell.

3. Mr. Sheehy, of the staff of the Joint Congressional Committee on Atomic Energy, called to inquire as to whether we had any information on Dr. Pontecorvo, a British Atomic scientist who has disappeared behind the Iron Curtain. I told him that if there was interest on the Committee he should submit the request in writing.
